

National benefits, delivered locally to
Trusted Pool & Spa Professionals

Members of SPASA include leading pool builders, retailers, pool technicians, manufacturers, suppliers, sub-contractors, installers, consultants and other allied trades, all of whom set themselves apart from the rest of the industry by setting standards of skill, workmanship and ethical business behaviour in the best interests of pool and spa owners.

As a member, you will gain access to expert advice on technical, legal and contractual matters; employment relations and human resource support; workplace health and safety advice.

SPASA is also a Registered Training Organisation (RTO) that provides nationally recognised training and assessment to the swimming pool and spa industry nationally. Our courses are designed in consultation with key industry stakeholders and our qualifications and accreditations are highly valued by government, employers and the wider community.

In today's demanding work environment, where there is constant change, complexity is the norm and new issues arise daily, having SPASA to turn to is a distinct advantage.

I invite you to read through this Membership Brochure to see how becoming a SPASA Member can help your business prosper in our wonderful but challenging industry.

ABOUT US

The Swimming Pool & Spa Association of Australia (SPASA) represents pool builders, manufacturers, suppliers, retailers, technical servicemen, subcontractors, installers, consultants and other allied trades—nationwide.

SPASA brings together swimming pool and spa industry stakeholders to form a representative body focused on action and influence.

SPASA represents the many and varied interests of the entire swimming pool and spa industry with 'one voice' to a diverse audience which includes government, media, investors, legislative bodies and consumers.

Why you should join SPASA works for the pool industry and understands how the pool industry works.

Joining SPASA gives you the opportunity to be part of a committed body that is devoted to improving and protecting the welfare of the entire swimming pool & spa industry.

It's much easier for you when you're a part of an organisation that's helping you, your business and your profession.

We exist to make your role as an industry professional easier with more worthwhile communication, education and access to the latest changes in legislation.

Becoming a member will open up a new world of support and access to industry information and events to assist you in building your career and business.
